The Bishop
Diocese of Ruwenzori.

Lord Bishop,

**RE: POSITION OF NYAKASURA SCHOOL STAFF IN REFERENCE
TO THE DOCUMENT CIRCULATING ON SOCIAL MEDIA ABOUT
THE MISMANAGEMENT OF THE SCHOOL BY THE HEADMASTER:**

During our staff meeting held on 3rd February 2023 in the staffroom, 60 teachers in attendance decried the generalized and malicious document written without their consent. Therefore as teachers of Nyakasura School, we strongly disassociate ourselves from the social media dossier. None of us present accepted to have contributed nor engaged or was consulted in the formulation of such a dossier which had been made with intentions of causing unnecessary mayhem to the Students, Parents, Teachers, Headteacher, Alumni body and all Stakeholders. However thorough investigations are ongoing to establish the author(s)

As Nyakasura school staff members, we remain strongly united, more committed than ever before and we are behind the Headmaster Rev. Balinda E. B. Richardson; a great Headteacher propelling the School to greater heights in talent development, discipline and academic excellence.
